DESTINATION DEVELOPMENT FUNDS

Caboose Remodel – BNSF has long been apart of the Town of Greybull – this Caboose was donated to the Greybull museum several years ago but was in an advanced state of decay. With fund we were able to restore the deck leading into the caboose and do some interior work to allow visitors to enter the caboose safely.

Repaired the badly damaged roof to preserve the interior of this caboose.

Greybull Chamber of Commerce Building Facelift

The Chamber building is an older building located in downtown Greybull that didn't have an inviting presence.

Install a sign marking the building as the Chamber of Commerce

Added new framing and repainted/stained the wood to give the building an updated/refreshed makeover
